# Iberital Tandem

An iconic design that is easy to use,  
powerful and attractive in any setting.

It takes two to make a great espresso. Meet Iberital Tandem, a machine that enhances and celebrates the collaborative process of making espresso.

Designed by Andreu Carulla, Iberital Tandem is the newest addition to the Iberital family. What makes Tandem stand out is its rational, Nordic-inspired, and removable metallic basket.

Achieve superior quality with Tandem's finest temperature stability and its new wand to make Latte Art. Enjoy the most useful features with a coffee machine that is perfect for you and your everyday barista life.

You will be able to complement your Iberital Tandem with IB Connect to have great control of the use, performance and needs of your machine.
